January 25, 2012

To: School Nutrition Association Iowa Board of Directors,

You are invited to attend the SNAI Winter Executive Board meeting on Wednesday, Feb. 1, 2012. We will start the day with a Legislative Reception in the Capital Building. Be sure to contact your State legislators and invite them to stop by and talk about school lunch with you. If you need to know who your representative is and their contact information, go to:

<https://www.legis.iowa.gov/Legislators/find.aspx>

After the legislative reception, we will go to the Grimes Building and parking is available between the two buildings. The entrance to the Capital is on the South side of the building and we need people to arrive at 6:45 am. A map is attached for your use.

Please plan to travel to Des Moines the evening before the board meeting and let our Association Manager, Norma LaMantia know as she will be making hotel arrangements. Half a room will be paid by the association for Tuesday evening, January 31st. Norma has reserved a block of rooms at the:

Holiday Inn Express
165 Adventureland Drive. N.W.
Altoona, IA 50009
Phone: 515-967-1855

The hotel is just off I-80 at Exit 143 and it is about a 15 to 20 minute drive to the Capitol Building. Breakfast is included with your room. We have reserved a meeting room at the Big Steer Restaurant at 6:30 pm for dinner, a session presenting information we will need in speaking with legislators the next morning, and of course some socializing on Tuesday evening.

Please let me know if you have anything to include on the agenda for discussion. We would also like for you to provide a written report of things you have been working on since we last met. The written reports should be emailed to Norma with a cc to me. They will then be posted on the SNAI web prior to the board meeting. You may print and read reports in preparation for the meeting.

I hope to see all of you at this Winter board meeting as we have many important items to discuss!

Ann Feilmann
President School Nutrition Association Iowa

SCHOOL NUTRITION ASSOCIATION IOWA MISSION:
To advance good nutrition for all children in Iowa
