

SNA's School Nutrition Specialist (SNS) Credentialing Program

SNA's SNS professional credential is recognized throughout the industry as evidence of a proven level of education, knowledge and experience in school nutrition. The SNS credential demonstrates professional commitment, credibility and reliability to your employer and colleagues!

Benefits of Becoming SNS Credentialed

- ✓ Formal recognition of professional achievement at national level
- ✓ Professional recognition from subordinates, peers and superiors
- ✓ Increased ability to manage a complex foodservice operation
- ✓ More credibility with school district administrators and the general public
- ✓ Career opportunities

Exam Registration Information

To register, visit www.schoolnutrition.org and click on "Career & Education", under "Related Content" select "SNS Credentialing" and download the Credentialing Exam Handbook (*includes the requirements, application form, exam content outline, and listing of reference materials.*) The application fee includes your registration and examination fee (\$150 for members, \$245 for non-members), but does not include the reference materials on which the exam is based upon.

The SNS Study Guide is one of several resources that addresses topics related to school nutrition and it is not intended to be the sole source to prepare for the exam. To purchase the SNS Study Guide, please visit <http://www.promocorpstore.com/sna/> or call 800-728-0728.
